We don't know when you might need us. That's why we're here 24 hours a day.

Intermediary Application

Health Assured has established itself as a distinctive and specialist psychological services provider, currently supporting over seven million lives in the United Kingdom and the Republic of Ireland directly and through intermediary partnership agreements. We can, also, extend this support to overseas employees through an international partnership arrangement.

As the largest and most respected provider in the Employee Assistance Programme (EAP) market within the UK, whether you are new to the unique benefits of our standalone EAPs and auxiliary services or have worked in the industry for many years, you can be certain that we will work with you to find the best solution that supports your client's needs. We offer the following services that you can introduce to your clients:

- EAPs
- Specialist helplines
- Whistleblowing lines
- Wellbeing workshops
- Onsite trauma support
- Complimentary specialist seminars

- 77% of employees have experienced symptoms of poor mental health at some point in their lives
- 29% of employees have been diagnosed with a mental health condition
- 62% of employees attributed their symptoms of poor mental health to work or said that work was a contributing factor
- 49% of line managers would appreciate basic training in common mental health conditions
- 30% of employees think their employer doesn't support people well who experience mental health problems, and 30% don't know either way
