Occupational Health Partnership

Health Assured is the UK and Ireland's largest award-winning employee wellbeing services provider. We support over 13 million lives and over 50,000 businesses through direct relationships and channel partnerships. We can extend this support overseas with an international partnership agreement.

We believe the delivery of health services are rapidly changing and we would like to partner with occupational health (OH) providers to bring together our market-leading health and wellbeing capabilities.

We have used our extensive experience to develop effective case referral pathways. Through our raising of mental health awareness, and our commitment to collaborative support, we deliver in partnership a complete, supportive wellbeing solution.

How we've helped our clients

35% of clients reported a significant decrease in workplace stress-related incidents.

36% reduction in absences by having our award-winning EAP in place.

20% of clients outlined a noticeable increase in wellbeing post-counselling.

Benefits of working in partnership

- Market leader in Employee Assistance Programmes
